## CCE Exam Self-Practice Review Questions for Certified Cost Engineer: 2015 Edition (with 90 questions) (Paperback)

By Examreview

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Large Print. Language: English. Brand new Book. The CCE Certification requires that an individual has an education and/or work experience in a related field (more precisely, a field that emphasizes cost management). The candidate must demonstrate acquired knowledge through successfully passing a written exam after submitting an acceptable technical paper on a cost engineering subject. This professional paper must be at least 2,500 words. The actual CCE exam has four parts that are 1 hour and 45 minutes each. Part I has 50 multiple-choice questions. Parts II, III and IV use a combination of compound questions and multiple choice questions. Coverage is extensive. Also, with the introduction of the TCMF, multiple disciplines are integrated into the cost management effort so you are expected to know a lot more than basic cost estimation and control techniques. Even though the exam is divided into 4 parts, you will have to take 4 parts in the same day. Also, topics covered in the different parts are in fact highly related. Therefore, there is no reason why you should study on a part by part basis. We highly recommend that you study for the...

### Reviews

*Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Otis Wisoky

*This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).*

-- Dr. Everett Dicki DDS
